**MISSIONS 2022      Re-Claim**

**November 6 – 26, 2022**

**Luke 10, 15, 24**

***This is what is written: The Messiah will suffer and rise from the dead on the  
third day, and repentance for the forgiveness of sins will be preached in his  
name to all nations, beginning at Jerusalem.***

**Luke 24:46-47**

Once again, we will spend this season in preparation, education, and celebration. We will study Bible Study lessons across the church that provide missional formation for all ages. The Great Commission Council will provide curriculum that will be available for the entire church body during our emphasis on missions.

On Sunday mornings in worship, we will look at three important missional pages in Luke's Gospel together as a church family. We will discuss the commission of Jesus to partner with Him in Re-Claiming all that has been lost to sin and brokenness in our world.

In our Daily Bible Readings, we will read the texts from Luke each week that serve as the basis for the sermons. Then, we will read selections from the Book of Acts as we learn how the Gospel was proclaimed by and through the early followers of Jesus.
