EXIT FROM MIDIAN

Moses and his family depart Midian and head to Egypt. He took the staff of God with him.

EXODUS IN SUMMARY

- God shared key insights with Moses as he departed Midian:
- God's plan for deliverance
- God's power will be on display
- God's sovereignty will be demonstrated
- Israel's place in God's heart
- God's judgment and grace will be juxtaposed

A STRANGE INTERLUDE - Exodus 4:24-26

Here is a literal translation of verse 24:

"And it came to pass, along the way at the encampment, Yahweh met him and sought to kill him."

The question is "Who was God about to put to death?" The NIV translators have chosen Moses. Many scholars choose Moses' son. Moses' name never appears in the actual Hebrew text.

REUNION WITH AARON

Moses and Aaron will remain in partnership for the next 40 years as they will lead Israel out of Egypt and towards the Promised Land.

REUNION WITH THE LEADERS OF ISRAEL

Moses and Aaron were favorably received by the elders of Israel. The mission has begun!
